

The Fairly Famous Family
Grow Your Own

Copy:

Fresh from extensive rehearsals in their potting shed, these comedy gardeners bring you skillful, wholesome fun, from field to plate...

The Show

Sit amongst the dazzling flowers on the perfect grassy lawn (provided!) and enjoy....

Magic...disappearing slugs

Juggling...with a sickle, an axe and a razor sharp...lemon!

Escapology...a thrilling recreation of Peter Rabbits daring escape from Mr. McGregor's sack.

More spectacular than "gardener's question time"!!
Better horticultural advice than the "Chinese state circus"!!

Perfect for parks, gardens, food festivals and green events.

Tec Spec:

We need the following for this show:

- Performance area min 5x5m preferable flat and dry.
- Parking and changing near to performance area.
- Appropriate stewarding depending on numbers expected at the event
