

DAVID PAINE (formerly known as Below the Behind)

'Top' street magician David Paine, and his long-suffering cameraman Barry bring street magic and glamour to your event.

David performs feats of spoon bending and telepathy that defy the laws of nature (and many trades descriptions laws!), while Barry brings out some Oscar winning performances from the crowd!

For the grand finale David stays handcuffed in a locked mailbag, without food or water, for 44 seconds before escaping in the spectacular trick...'Below the Behind'.

Hilarious and highly mobile

3 x 30minute performances per booking.
