

DEMONSTRATORS

Selling an hilarious line of “wonder products” Barry and Len have no problem finding punters to watch and take part in their demonstrations which are both slick, unconvincing and hilarious.

With products for all the family Barry and Len have the audience in stitches as they fail to sell an astonishing array of gadgets, gizmos and gimmicks including.....

Killit Wallop – multi purpose cleaner/hangover cure

Bison 01 – bag-less vacuum- it beats as it sweeps as it maims.

Propper Chopper – it chops, it dices, it slices quickly and indiscriminately!!

‘Unbreakable crockery’ – smashing stuff!!

Imagine QVC meets TOMORROWS WORLD..... on wheels !!

Remember.....none of these products are available in the shops (for legal reasons) !!

The performance is perfect for a family audience.

3x30min or 2x45min performances per day.

Completely contained – no technical support required

Risk assessment available
