

Fire Show Tech Sheet

The information below is to be used as a guide to assist you in your inquiries. We try to be as flexible as possible whilst insisting on high standards of health and safety and performance. If the performance area you have available is smaller than the list below we can tailor our shows to the area available but this may restrict the routines and tricks we can perform.

Performance Areas:

Group fire show

Two person show	6m width, 4m depth, 4m height
Three person show	7m width ,4m depth, 4m height
Four person show	8m width ,4m depth, 4m height
Five to seven person show	9m width, 5m depth, 4m height

Solo Shows

Pyromania solo fire show	9m width,. 7m depth, 7m height
Solo fire show	5m, width, 4m depth, 4m height
Ambient performance	4m, width, 4m depth, 4m height

Where ever possible we require waist high fencing around the performance and stewards to assist with crowd control.
