

## Tech Spec Tap it and unwrap it

Parking – Parking near performance area in the only major requirement (we may have a high top van)

Power – None required

Fire – none

Fireworks – none

Water – we spray a small amount of water from time to time (we can fill up from any tap)

Stewarding – see risk assessment.

What happens – Two Victorian gentlemen with a trolley piled with presents greet small groups and perform 5 – 15 minutes slots of juggling/magic before moving on and repeating.
